Programme Report

Name of the Programme: Workshop on Differential Equations

Date: 14th January 2022

Department organized a workshop on Differential Equations on 14th January 2022 at seminar hall CAS College, Madayi. The Workshop on Differential Equations provided participants with an in-depth study of the fundamental concepts of Differential Equations. The session addressed previous years' JAM Mathematics questions in the that area. Sruthi Chundakkaran (Assistant Professor, Department of Mathematics, Co-operative Arts & Science College, Madayi) managed the session and discussed the topic second order differential equation and some related problems. The session aimed to strengthen participants' problem-solving skills, foster collaboration, and explore various problem-solving techniques in the context. Final Year BSc Mathematics Students of the department actively attended the session.
