Report: Mazha Yathra 2022

Date: 23rd June 2022

Venue: Madayipara

BSc Mathematics students along with teachers commenced a Mazha Yathra on 23rd June 2022 through the Madayi Para and visited a nearby waterfall. This walk aimed to connect with nature and promote environmental awareness among students. Despite encountering intermittent rainfall, students remained enthusiastic throughout the journey. The route traversed lush green landscapes and scenic trails, providing participants with a rejuvenating experience amidst nature. Students actively participated in activities like nature walks, birdwatching, tree planting, and other interactive sessions on sustainable living practices. The Mazha Yathra facilitated experiential learning opportunities for students, resulting in several key outcomes. Participants developed a deeper appreciation for the natural world, learned about the interconnectedness of ecosystems, and gained practical knowledge on environmental conservation techniques. Additionally, students enhanced their communication and leadership skills through collaborative efforts during the journey.
