Programme Report

Name of the Programme: Workshop on Abstract Algebra

Date: 17th December 2021

Department organized a “Workshop on Abstract Algebra” on 17th December 2021 through google meet at 10 am. The workshop on Abstract Algebra provided participants with an opportunity to deepen their understanding of group theory concepts through hands-on problem-solving activities. The session discussed previous years’ JAM Mathematics questions in Group Theory. Mrs. Sruthi Chundakkaran (Assistant Professor, Department of Mathematics, Co-operative Arts & Science College, Madayi) managed the session and addressed some problems on the topic groups and subgroups. The workshop aimed to strengthen students' problem-solving skills, foster collaboration, and explore various problem-solving techniques in the context of group theory. Final Year BSc Mathematics Students of the department actively attended the session.
